## Five free & really cool activities to do from home!

**Treasure Hunt with Geocaching.** This modern treasure hunt uses GPS to locate a set of coordinates and try to find the cache (aka treasure) hidden at that location (find out more at [www.geocaching.com](http://www.geocaching.com)).

**Travel the world without leaving home.** Learn about other countries (using Wikipedia) and make their traditional meals (with help from the kids) for dinner.

**Pitch a tent** in the backyard and roast hot dogs and marshmallows if you have a fire pit (or on the grill)

**Build ice castles.** Freeze water in plastic containers of various sizes then let the kids take the ice blocks outside and create castles with them.

**Play in rain.** The kids will love the chance to do something that's taboo.
