2 Scope:

- 2.1 This policy addresses how McKinnon Primary School aims to prevent, address and respond to student bullying behaviour.
- 2.2 McKinnon Primary School recognises that there are many other types of inappropriate student behaviours that do not meet the definition of bullying which are also unacceptable at our school. These other inappropriate behaviours will be managed in accordance with our Student Wellbeing and Engagement Policy and Inclusion and Diversity.
- 2.3 This policy applies to all school activities, including camps and excursions. It also applies to bullying behaviour between students that occurs outside of school hours, where the behaviour impacts on student well-being and safety at school.

3 Policy:

3.1 Definitions

3.1.1 Bullying- In 2018 the Education Council of the Council of Australian Governments endorsed the following definition of bullying for use by all Australian schools:

3.1.1.1 *Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.*

3.1.1.2 *Bullying can happen in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records)*

3.1.1.3 *Bullying of any form or for any reason can have immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflicts or fights between equals, whether in person or online, are not defined as bullying.*

3.1.1.4 Bullying has three main features:

3.1.1.4.1 It involves a misuse of power in a relationship

3.1.1.4.2 It is ongoing and repeated, and

3.1.1.4.3 It involves behaviours that can cause harm.

3.1.1.5 There are four main types of bullying behaviour:

3.1.1.5.1 Physical – examples include hitting, pushing, shoving or intimidating or otherwise physically hurting another person, damaging or stealing their belongings. It includes threats of violence.

3.1.1.5.2 Verbal/written – examples include name-calling or insulting someone about an attribute, quality or personal characteristic.

3.1.1.5.3 Social (sometimes called relational or emotional bullying) – examples include deliberately excluding someone, spreading rumours, and sharing information that will have a harmful effect on the other person and/or damaging a person's social reputation or social acceptance.

3.1.1.5.4 Cyberbullying – any form of bullying behaviour that occurs online or via a mobile device. It can be verbal or written, and can include threats of violence as well as images, videos and/or audio.

3.1.1.6 Bullying can be a form of racism, sexism, homophobia, transphobia or other types of social prejudice when the behaviour is targeted at an individual or group because of a personal characteristic, such as race, religion, sex, sexual orientation, gender identity or disability.

3.1.1.7 For further information about bullying, refer to: [Bully Stoppers \(education.vic.gov.au\)](https://www.education.vic.gov.au/bully-stoppers) and the Department's [Bullying Prevention and Response](#) policy on the Policy and Advisory Library.

3.1.2 Other distressing and inappropriate behaviours

3.1.2.1 Many distressing and inappropriate behaviours may not constitute bullying even though they are unpleasant. Students who are involved in or who witness any distressing and inappropriate behaviours should report their concerns to school staff and our school will follow our e.g. Student Wellbeing and Engagement Policy and/or this Bullying Prevention Policy where the behaviour constitutes bullying.

- 3.1.2.2 *Mutual conflict* involves an argument or disagreement between people with no imbalance of power. In incidents of mutual conflict, generally, both parties are upset and usually, both want a resolution to the issue. Unresolved mutual conflict can develop into bullying if one of the parties targets the other repeatedly in retaliation.
- 3.1.2.3 *Social rejection or dislike* is not bullying unless it involves deliberate and repeated attempts to cause distress, exclude or create dislike by others.
- 3.1.2.4 *Single-episode acts* of nastiness or physical aggression are not the same as bullying. However, single episodes of nastiness or physical aggression are not acceptable behaviours at our school and may have serious consequences for students engaging in this behaviour. McKinnon Primary School will use its Student Wellbeing and Engagement Policy to guide a response to single episodes of nastiness or physical aggression.
- 3.1.2.5 *Harassment* is language or actions that are demeaning, offensive or intimidating to a person. It can take many forms, including sexual harassment and disability harassment.
- 3.1.2.6 *Discrimination* is behaviour that treats someone unfavourably because of a personal characteristic (for example, race, religious belief or activity, disability, sex or intersex status, gender identity or sexual orientation).
- 3.1.2.7 Discrimination, harassment, and any other inappropriate behaviour is not tolerated at our school and there may be serious consequences for students engaging in this behaviour. This includes any form of racism, religious or disability discrimination, sexism, homophobia, transphobia, or any other behaviour that targets an individual or group. Further information about discrimination and harassment, including definitions, is set out in our Inclusion and Diversity Policy.

We strive to foster a school culture that prevents bullying behaviour by modelling, encouraging and teaching behaviour that demonstrates acceptance, kindness and respect.
